FISCAL MEMORANDUM

HB 2069 – SB 1988

February 27, 2018

SUMMARY OF ORIGINAL BILL: Increases, from 30 to 45 days, the time period prior to the effective date of a withdrawal that the Treasurer is required to notify the qualified public depository of such effective date.

FISCAL IMPACT OF ORIGINAL BILL:

NOT SIGNIFICANT

SUMMARY OF AMENDMENT (013435): Deletes all language after the enacting clause. Deletes the requirement that child advocacy centers (CACs) receiving state funds be physically separated from government entities. Requires CACs to have written policies and procedures consistent with the National Children's Alliance rather than the National Network of Children's Advocacy Centers. Adds the Health and Welfare Committee of the Senate and the Health Committee of the House of Representatives to the committees that certain data must be reported to annually.

FISCAL IMPACT OF BILL WITH PROPOSED AMENDMENT:

Unchanged from the original fiscal note.

Assumptions for the bill as amended:

- The overall funds appropriated or available for CACs are not changed by this legislation.
- Based on information provided by the Department of Children's Services (DCS), authorizing CACs to locate in a space not physically separate from governmental entities will not result in a significant impact to DCS.
- Any fiscal impact resulting from locating a CAC in the same location as a governmental entity will be borne by private organizations.
- Updating reporting requirements will not result in any significant fiscal impact.
